DECEMBER 1, 2006

IN RE: Application of Universal Access, Inc. for a) ORDER CANCELLING
Certificate of Public Convenience and) CERTIFICATE
Necessity to Provide Interexchange and Local)
Exchange Telecommunications Services.)

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Universal Access, Inc. (UAI or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide interexchange and local exchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted UAI authority to operate as a provider of telecommunications services in the State of South Carolina by Order No. 2000-0415, dated May 11, 2000.

By letter from UAI's consultant Inc. filed October 31, 2006, the Commission is advised that UAI has ceased its operations of telecommunications services in South Carolina and that the Company does not have any customers in South Carolina. UAI's consultant requests cancellation of the Company's certificate.

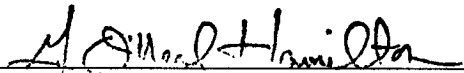

As UAI is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that UAI's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide interexchange and local exchange telecommunications services in the state of South Carolina authorized by Order No. 2000-0415, dated May 11, 2000, issued to Universal Access, Inc. is hereby cancelled.

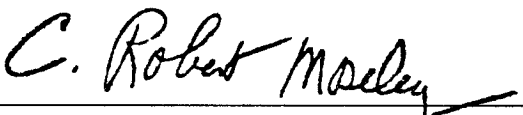

2. Universal Access, Inc. remains responsible for any Commission assessments payable during any year that the Company has operated in South Carolina.

3. This Order shall remain in full force and effect until further Order of the Commission.
